~ *Fine Camellias Our Specialty* ~

26 Years of Service and Quality

Open Seven Days a Week — November Through March

This year we conscientiously believe that we have a collection of the rarest varieties and the finest plants that can be procured.

In our search for rare and treasured Camellias we have not spared time nor expense in visiting Camellia Shows, Nurseries and many, many private gardens where there was a possible chance to secure for our customers the very latest discoveries.

On this list we have a few of the best selections at prices we proudly offer.

DR. GEHRY — Exclusive by Gerbing's Nursery. A new seedling of exquisite beauty named in honor of Dr. Gehry of Orangeburg, S. C. This large striking red and white flower with a slight orange overcast is a fall semidouble bloom with many upstanding petals and petaloids interspersed with an interesting arrangement of bright golden stamens. The bloom is 5½ to 6 inches in diameter with a depth of 2½ to 3 inches and opens in midseason. The plant is vigorous, upright, and bushy with dark green foliage. A collector's dream and an outstanding addition to anyone's collection. Limited supply. 1 year grafts - \$25.00.
